**VILLAGE OF TUPPER LAKE SEEKING ELIGIBLE HOMEOWNERS FOR POSSIBLE FUNDING**

Tupper Lake, NY – April 2, 2019

The Village of Tupper Lake is considering the submission of an application for funding to New York State. The proposed application would be for owner-occupied rehabilitation of approximately 10-12 single-family homes in the Village of Tupper Lake. In order to demonstrate a need for the program funds to New York State, the Village is requesting eligible homeowners that are potentially interested in participating in the program to complete an Income and Housing Conditions Survey.

Individuals that complete the Income and Housing Conditions Survey will be added to the Village's waiting list for housing programs. If the Village is successful in receiving funds then those persons on the Village's waiting list will be asked to apply for funding through the program. Completing the Income and Housing Conditions Survey does not guarantee funding to an individual if the Village is successful in receiving funds.

The Village has entered into an agreement with the Development Authority of the North Country to write the grant application and to administer the grant and deliver the program if it is successfully funded.

Interested parties can receive the Income and Housing Conditions Survey by stopping at the Village Offices or by contacting Mary Casagrain at [villtupplake@centralny.twcbc.com](mailto:villtupplake@centralny.twcbc.com) or calling (518) 359-3341. Surveys need to be returned to Mary Casagrain at the Village Offices at 53 Park Street by Friday, April 26, 2019 at 4PM.

Eligible household income levels for the Program at this time for the Village of Tupper Lake are as follows:

<u>1 Person</u>	<u>2 Person</u>	<u>3 Person</u>	<u>4 Person</u>	<u>5 Person</u>	<u>6 Person</u>	<u>7 Person</u>	<u>8 Person</u>
\$42,048	\$48,000	\$54,048	\$60,000	\$64,800	\$69,600	\$74,400	\$79,200
